PROFILE SUMMARY

WASH (Water, Sanitation, and Hygiene) Specialist with over nine years of experience in designing, implementing, and monitoring WASH programs in humanitarian settings. Skilled in project management, community engagement, and capacity building. Holds a master's degree in International Cooperation and Humanitarian Aid, with a strong commitment to improving the lives of vulnerable populations through sustainable WASH solutions.

PROFESSIONAL EXPERIENCE

GOLDEN HEART FOUNDATION

WASH Specialist, Yaounde

September 2015 – July 2024

- Lead the design and implementation of WASH programs, benefiting over 10,000 beneficiaries in both urban and rural areas.
- Conduct water quality assessments, sanitation facility evaluations, and hygiene promotion activities.
- Coordinate with local government, NGOs, and community-based organizations to ensure program alignment with local regulations and international standards.
- Manage project budgets, ensuring cost-effective procurement of materials and resources.
- Train and mentor field staff and community volunteers in WASH best practices and hygiene promotion.
- Monitor and evaluate project outcomes using established indicators, adjusting programs to improve impact.
- Represent the organization in inter-agency WASH cluster meetings.

ADDITIONAL EXPERIENCE:

- Participated in emergency response efforts, including post-disaster WASH interventions, improving access to safe water and sanitation for affected communities.
- Developed and facilitated WASH-related workshops for local communities, focusing on hygiene promotion and disease prevention.

EDUCATION

🚦 Master's Degree in International Cooperation and Humanitarian Aid

KALU INSTITUTE – Spain, June 2024
